Enjoy drinks and dinner at Café Bolle

What could be better than sitting on the terrace or inside with your friends and enjoying everything that Café Bolle has to offer? Tapas sharing platters and dishes are an addition to our menu. As the name suggests, these are dishes meant for sharing. The portions are smaller so you can taste multiple dishes. If you find yourself still hungry after one round, simply order another.

Can't decide? Not a problem, we have a tapas sharing platter and a tapas sharing platter XXL (120 cm) where we present a combination of dishes. If you're still hungry after that, we also have some delicious desserts! You can also order the tapas sharing platters during the drinks!
